

BBC/SBBC

Balcony Barrel Cam Cartoner

where products meet packaging™

Featuring open “balcony” design, the ADCO BBC horizontal end load cartoner and its compact sibling, the SBBC, are the best choice for today’s toughest sanitary production environments. Offering maximum cleanability and access by design, the BBC family of cartoners are capable of erecting, loading and sealing a wide range of end load carton sizes and styles at speeds up to 400 cycles per minute. Simple operation, fast changeover, ergonomic design and standard PackML programming, ensure maximum output with minimal operator input. Like all ADCO machines, the BBC family of cartoners are constructed in stainless steel and are available in standard or washdown configurations.

Benefits

- Sanitary ‘balcony’ design maximizes cleanability and machine access
- Stainless steel construction improves cleanability and eliminates corrosion
- Flexible and adaptable design protects your investment as products change
- Rotary carton feeder with optional orbital feeder and pre-break ensures smooth, efficient operation
- Easy to load magazine reduces operator fatigue and increases run time
- Compact design saves on space and improves portability
- Advanced guard design keeps operators safe and maximizes maintenance access

BBC/SBBC - Balcony Barrel Cam Cartoner

Product Features

- Stainless steel construction
- Sanitary balcony frame design
- Rotary carton feeder with optional orbital feeder and pre-break
- Easy to load, high capacity magazine
- Product infeed conveyor with adjustable buckets
- Capable of erecting, loading and sealing either tablock style or glued cartons
- Nordson® ProBlue hot melt glue system (when glue is specified)
- Allen-Bradley® PLC control system with touch screen HMI
- PackML Programming
- Category 3 safety system with a fully-interlocked barrier guard package
- Many options, including multi-axis servo control available upon request

Typical Applications

- Frozen Pizza
- Bag-in-box
- Ready meals
- Flow-wrapped products
- Frozen Entrees
- Baked goods

Utilities

Electrical

230/460 VAC, 3-Phase with ground (PE), 60 Hz

Air Consumption

2-3 CFM @ 65-70 PSI
